Thank you for making the Hilltop Hustle great success.

Beautiful weather, pancakes, and families always make for a fun time. This year's Hustle will be able to provide over a thousand dollars to [Baby Jay's Legacy of Hope](#) and the Martha Langley Families in Need Fund at Hilltop. This fund allows Hilltop to provide short term assistance to Hilltop families in need.

And a BIG THANK YOU to our sponsors: Lawrence Shirt Factory, Envista Credit Union, Jefferson's, Farmer Insurance (John Magnuson), Truity Credit Union, Growing Smiles Pediatric Dentistry, & Commerce Bank.

Staff Update

It's a bitter sweet moment because we are saying good bye to Rob, our kitchen manager. Rob has done wonderful things in our kitchen, trying and making new recipes, upgrading the kitchen fixtures and hiring well-trained staff. We will miss him.

We do have a new manager. Aaron Whitebread comes with years of experience in the kitchen. He also has a very positive working history with Johnny, Lance, and Cal. This will create a smooth transition to new leadership.

So, in the coming weeks stop by the kitchen and say "hello" to Aaron.

**Remember, that we are closed on
July 4th & 5th**
